SPORTSMAN CLUB

MISHICOT, WISCONSIN

HI NEIGHBOR:

Excuse me, but could you spare THREE minutes of your time? Two minutes to read this letter and ONE minute for good sound thought.

Neighbor, this is a personal invitation to join the SPORTSMAN CLUB. This is not my club or anyone elses club in particular but very definitely OUR club. Do you realize that for ONE DOLLAR you can become a member of the LARGEST ORGANIZATION in town and you will have interest in a project that is worth at least $8000.00? For that ONE DOLLAR you can proudly say "WE" when a discussion about the park is going on.

Playground equipment will soon be added to the park so that all the "kiddies" can spend more time down there. It's much safer down there than out on the streets. The streets were used for playgrounds long enough and the children want something different. Our streets are crowded with automobiles anyhow. The children will be proud to tell their buddies that "my daddy is a Sportsman and helped make the park a success." Dad, you can tell your friends that the park is yours, and hard work is what makes it look like it does today.

Of course, the first thing that comes to your mind is that you belong to too many things now. That's true — don't we all? Is everything you belong to more important than the Sportsman Club? This organization is in your town, made up of your neighbors. The park is for everybody — children, men and women alike. We want everyone to feel it is a part of theirs. Do you think all of that isn't worth ONE DOLLAR a year?

The meetings are held once a month, being the first Wednesday of each month. Cards are sent out for each meeting. Lunch and entertainment of some kind is always a part of each meeting. Let's join together. It makes much better feelings.

Maybe some of the people don't like the way the club is run, or maybe they don't like the officers. IF YOU HAVE ANYTHING AGAINST THE CLUB OR OFFICERS let the officers know. Tell any one of them.

JOIN THE CLUB TODAY! It will make you a proud member and make the rest of the club members happy to have you among them. Help show how a small town can handle a big project, all through cooperation.

ARE YOU A SPORT? BE A SPORTSMAN!

P. S. We are also doing our part in conservation. Skeet shoots are also held.
